2. You will receive a membership card, which you will need to carry with you when you visit the doctor or hospital.
3. Finding a doctor: You can find a doctor or specialist in the Centrum Damiana network by using the Allianz online directory or by calling their customer service center.
4. Scheduling an appointment: You can schedule an appointment with your doctor or specialist either online or by calling the Centrum Damiana reception desk. You will need to provide your membership card number and insurance policy information when making the appointment.
5. Visiting the doctor: When you visit the doctor, you will need to present your membership card and insurance policy information. The doctor will examine you and provide a diagnosis and treatment plan, if necessary.
6. Payment: Allianz will cover the cost of medical services provided by Centrum Damiana, subject to the terms and conditions of your insurance policy. You may be responsible for paying a copayment or deductible, depending on the specific terms of your policy.
7. Emergency care: In the case of an emergency, you should go to the nearest hospital and present your membership card and insurance policy information. The hospital will contact Allianz for authorization and payment for the emergency care you receive.
