

IN THE LOOP

What a start to the year. It has been wonderful to welcome everyone back.

PUBLISHED FRIDAY 4 SEPTEMBER · SIX MINUTE READ

IAS WARSAW · IAS.EDU.PL

“It has been a strong first week. It is good to have the students back, to see our grounds in Konstancin in use, and to have our new transport and catering arrangements underway.”

Christopher Uden
Principal

Four things to do this week

The whole bulletin in four moves. Everything else is detail.

☐ Sign your child up for a club

Sheets are in the lobbies of both buildings from 7 to 12 September.

☐ **Ask your child to eat lunch at school that day**

Monday for KG to Grade 9, Tuesday for Grades 10 to 12.

☐ **Update your family contact details**

Two minutes on the community website, even if nothing has changed.

☐ **Register interest in transport**

Routes are being built around the families who sign up.

Message from the Principal

DEAR IAS COMMUNITY,

Welcome back! We have now opened sign-ups for our after-school clubs in both buildings. This year, we are offering a wider range of clubs running throughout the week, and we are very pleased to be placing a greater emphasis on extracurricular activities. I would strongly encourage parents to talk with their children about the opportunities available and encourage them to take part.

Our PHE classes have also started using our grounds in Konstancin, and we are very happy to be expanding the opportunities available to students for sport and physical activity. Next week, we will also be holding Student Council elections. This is an important opportunity for students to have a voice in school life, develop their leadership skills, and contribute positively to our community.

PHE CLASSES HAVE STARTED USING THE SCHOOL GROUNDS IN KONSTANCIN.

Christopher Uden

Principal, International American School of Warsaw

This week at **IAS**

The full week is listed at the end of this bulletin.

School **Announcements**

STUDENT COUNCIL PRESIDENT ELECTIONS

Next week we are holding the elections for Student Presidents. So far, we only have one running team made up of Yukta and Adiya. Accordingly, nominations will remain open till Monday at 10am. However, campaigning will begin from today.

Could you be the next IAS student presidents?

Run together. Bring real student ideas forward.

Build school spirit and speak up for students across IAS.

Student Council nominations are open.

Nominate a team of two. You need 20 students to support your team.

- The names of both candidates
- A short note about why you want to run
- 20 student supporters
- Add their names and signatures, plus the submission date

Monday 7 September

Before 10:00 AM

Have an idea for school? Put your names forward.

IAS.EDU.PL

NOMINATIONS CLOSE MONDAY 7 SEPTEMBER AT 10:00.

NEW IAS MYP STUDENT PLANNERS

Every MYP student has received a yearly planner designed by our school specifically to meet the needs of IAS students. It will help them take an active role in organising their learning by recording assignments, deadlines and important dates. The planner also contains useful reference materials and activities which support development of Approaches to Learning skills.

COMMUNITY WEBSITE AND TIMETABLE

The updated timetable will be implemented from Monday. Please check for any changes. Parents and students can access it on the community website, and we would encourage you to make use of the resource.

Sent to you in a separate email

PLEASE KEEP YOUR FAMILY DETAILS UP TO DATE

There is now a **Contact details update** form on the community website. If anything has changed over the summer, a phone number, an email address, a home address, a PESEL or passport number, or the people we may release your child to, this is where to tell us.

It takes two minutes and it is the record the office works from when we need to reach you quickly. Please check it once at the start of the year even if nothing has changed, so we know the record is current.

After-school Clubs

We are excited to launch our After-School Clubs for the 2026-2027 school year. **Clubs will begin during the week of 14 September.**

Students and families can review club offerings and sign up using the sign-up sheets that will be available in the lobbies of both school buildings **from 7 to 12 September.**

We encourage students to explore new interests, develop talents, and connect with friends through our range of club opportunities.

CLUBS RUN IN BOTH BUILDINGS, FROM GRADE 1 TO GRADE 12.

DAY	CLUB	GRADES	TIME
Thursday	Football	6 to 10	15:30 to 16:30
Friday	Film Club	1 to 5	15:15 to 16:30

Strands: sports, STEAM and technology, arts and drama, games, film and media.

A NEW ARTS PARTNER, THE NOISE MAKERS

Alongside our own clubs, we are beginning a collaboration with **The Noise Makers**, an academy specialising in arts and emotional education.

The programme adds after-school opportunities in music, visual arts, performance, writing and emotional development. Between them the strands cover vocal training, instruments, choir and band, painting, drawing, photography and film, acting and musical theatre, creative writing, and yoga, relaxation and concentration work.

Both group and individual classes will be available. We will share the confirmed schedule as the programme begins.

The four strands in full: ias.edu.pl/support/extracurricular

School Meals

From this September the meals at IAS are cooked by **Kuchnia z Klasą**, a Warsaw catering company that has worked with schools and kindergartens for more than twelve years. Everything is made from scratch on the day. Pork is not used at all, and veal and turkey are served in its place.

FOOD IS HOW THIS COMMUNITY GATHERS, FROM THE INTERNATIONAL FOOD TABLE TO THE DAILY LUNCH SERVICE.

FREE TASTING DAYS, NEXT WEEK

CLASSES	DAY
KG to Grade 5	Monday 7 September
Grades 6 to 9	Monday 7 September
Grades 10 to 12	Tuesday 8 September

There is no charge and nothing to sign up for. Every student in those year groups eats.

Please ask your child to stay in school for lunch on their tasting day rather than going out to the nearby shops. That is the point of the day: to try the food before you decide whether to order it.

HOW MEALS WORK

A DAY OF THE MENU, AS IT IS PACKED.

Kindergarten and lower elementary at Dembego 12 receive breakfast, lunch and an afternoon snack as one daily set. Upper elementary, middle and high school at Dembego 18 choose from the full lunch menu. There are meat and vegetarian options every day, plus dairy free, gluten free and egg free options, with individual diets arranged directly with the kitchen.

ORDERING

Register at ikuchnia.com.pl, log in, open the “Order/cancel meal” tab, choose your meals, then pay from the “Balance” tab. You order, change and cancel day by day, yourself, and the system works in English as well as Polish. With more than one child, register once and add each further child with the “Add child” button.

Kuchnia z Klasą cook for several Warsaw schools and each school has its own ordering page, so please use the IAS panel linked from our school meals page.

Questions about menus, allergies or an individual diet go to the kitchen through the ordering system, since they answer those directly. For anything else, the school office is glad to help.

School Transport

Our home to school transport partner for 2026-2027, sixteen years of carrying children safely.

THE LITTLE MONSTERS FLEET, FROM MINIBUSES TO A FULL-SIZE COACH.

This year IAS is working with **Little Monsters** to provide a dedicated home to school transport service. The company has sixteen years of experience transporting children and young people, with licensed professional drivers and vehicles suited to school transport.

Routes are still being built around the addresses of the families who sign up. If you are considering the service, please register your interest as soon as you can, because the stops are planned around who comes forward. The estimated monthly cost is between **600 and 1,100 PLN**, depending on the route.
