

Dear Parents,

We are pleased to inform you that starting from **September 1, 2025**, we are introducing a new system **Order a Meal**. Registration is already open!

How to register?

Go to the website by clicking on the [link](#).

Payment rules for meals:

- The system requires prepayment – to order meals, you must first make a deposit.
- After your payment is booked, you can place an order, i.e., choose meal sets for selected days.
- The payment itself does **not** mean an order has been placed – remember to choose your meal sets!
- At the start, within **7 days** of registration, we provide you with a **credit limit of 50 PLN**. Thanks to this, you can place an order without an earlier payment. Remember that the credit must be repaid in order to place further orders. It will not be visible in your account, but you can still place orders up to the credit limit.

Ordering and cancellation rules:

- **Ordering and canceling** meals is possible until 8:00 PM on the day before the meals are served.

Meal prices:

- **Lunch set (soup + main course): 22.00 PLN**
- **Breakfast + lunch set: 24.00 PLN**

Mobile application:

We recommend using our mobile app for even greater convenience:

1. On **Android** phones, go to the **Google Play Store**; on iPhones, go to the **App Store**.
2. Search for "Zamowposilek.pl" and install the app.
3. Log in using the email and password you provided during registration.
